The tour starts with a wonderful 1878 house located on Center and 1879 house on Miller both near Bestor Plaza. As you continue south, there are ten houses located in the South End of Chautauqua Institution on Peck, Cookman, and South Ave. The Everett Jewish Life Center is the denominational house on the 2026 tour and is located on Massey near Cookman.

Refreshments will be served throughout the afternoon at Smith Wilkes Hall, which is located between Janes and Peck.

The blue lines on the map identify streets with average slopes of 1% to 4%. The yellow lines identify streets with average slopes of 5% to 7%. And, the red lines identify streets with average slopes of 8% to 12+%. Buses and trams run throughout the day as well.

The houses on the tour are identified with a green asterik *
